LIMPIES

Welcome to the wonderful world of Limpies... where people are just people, comfort is a reality and "uptight" is how one laces their shoes. Anything made by Limpies always comes in an assortment of colors, so view these photographs only as examples of the types of prints and colors that Uncle Chip has in store for you. By the time you read this, all of the colors on this page will probably be completely different from the one's in our warehouse. But that's the idea. See, you'll probably never have the opportunity to have a matching pair of Limpies with your best skate buddy. So remember, don't get your heart set on that "purple plaid with green and orange squiggles in the upper/lower right hand corner/middle next to the pair with..." Get what we mean? If you can't handle the idea of receiving a surprise color, then maybe you don't have the right low-stress, mellow-attitude to wear a piece of clothing that could just as well have been someone's tablecloth.
